**Opening Photoshop** Just double-click the Photoshop icon from the Start menu, and Photoshop opens. If you downloaded Photoshop a while back, you may have to relaunch Photoshop, although it doesn't hurt to try restarting your computer. If you installed Photoshop and get an error message about missing components, try looking online for a patch to install. The Photoshop installer is more than 4 gigabytes in size, and you probably don't have that kind of space on your hard drive.

What's New In Photoshop 2022 (Version 23.1)?

Nottingham Forest have released the following statement regarding the aftermath of Saturday's FA Cup Fifth Round qualifier against Nottingham Forest at the City Ground: Club statement: Nottingham Forest Football Club can confirm that, following the serious injury sustained by Centre-Back Cameron Knighton, the Club is in the process of providing his immediate family with the appropriate support. It is important, for all Nottingham Forest supporters and members of the wider football family, to know that the Club is ensuring that all of their thoughts and prayers are with the Knighton family at this difficult time. A player's injury is always distressing for everyone in the club and while our thoughts are with Cameron and his family, the Club is fully committed to providing them with all the necessary support to get back to 100% as quickly as possible. A statement will be issued in due course.
